

**UNIBLOCK**

THE BEST MINERAL LICK IN EVERY FIELD

# COXXILAMB®

Uniblock's Coxxilamb lick bucket is designed for lambs post-weaning to help improve their health and performance at this crucial transition stage of their journey from birth to adulthood.

Uniblock's Coxxilamb bucket contains polyphenol plant extracts which have been scientifically proven to reduce coccidiosis in farm animals!!

## Why Feed Coxxicalf?

- Anti-coccidia properties
  - reduces scour risk
- Full mineral supplementation at grass
- Reduces disease and ill-thrift
- Labour saving
- Cost Effective
